and what have you

In the sports section of Friday's issue of The Houston Post Neal Branscum of Hamlin was mentioned as surprising performer for the Rice Owls. The article is being reprinted to be of interest to local readers who remember Neal from his high school football career. He is the son of Mr. and Mrs. Dan Branscum and was graduated here in 1962.

So who's looking good in Rice's spring football practice?

Coach Jess Neely looked as though he was hoping somebody would ask the question.

"Neal Branscum, he answered immediately.

Neal Branscum? Neely helped with the spelling of his name since he was buried so far down in the Owls' prospect list.

Branscum is a 220-pound red-shirt tackle from Hamlin, and he could relieve an acute problem at Rice.

He looked exceptionally good on defense Thursday when Rice stressed fundamentals and got in some spot scrimmage licks.

"I just saw him out in the hall," Jess went on, "and I congratulated him on his improvement. I told him he'd better not disappoint us and go back to his old way of playing.

"He said, 'What would you do, kick me?'"

"I told him no, but I'd sure get a stick after him."

The Owls took Friday off and then held a game-type scrimmage in Rice Stadium Saturday afternoon marking their 13th day of spring drills.

A great deal has been written concerning the Supreme Court's decision concerning congressional redistricting in Texas. A great many people seem to be upset that the court has stepped into this matter. But this is again a situation where the State's have given up some more of their rights by their lack of action.

Apparently this is the only way that the various state legislatures will do the job which the law says they shall do—redistrict after every federal census.

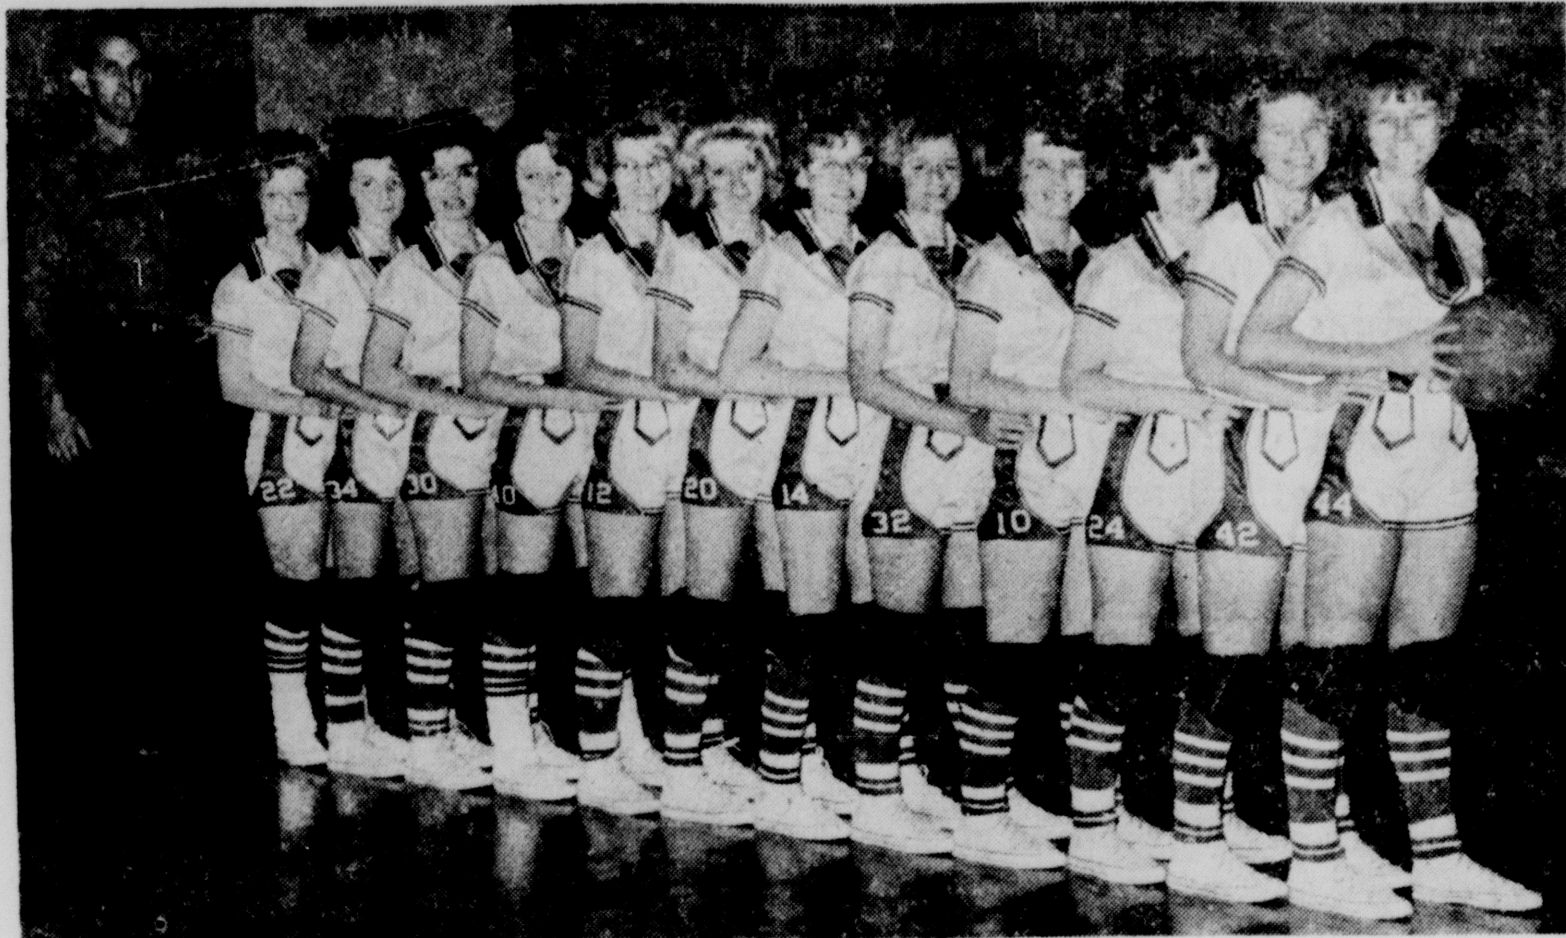

The big problem for the Texas legislature in the past has been that they always try to refrain from combining districts in such a manner as to force one congressman to run against another.

If the state redistricts in the manner that the courts have ruled they shall, there is no question but what the people in West Texas will lose some of their representation. But this does not mean that the courts are wrong, it just means that we have had more than our share of congressmen.

The constitution was written so that the people would have equal representation in congress and the states would have equal representation in the senate.

When Dallas County has a population of 951,527 with one district on the east, Sam Rayburn district, and the adjoining burn's old district, has but 216,311 inhabitants, something is obviously wrong.

With the figure of 416,500 as the goal to shoot for it means that Omar Burleson's district, No. 17, will have to be enlarged by some five or six counties. Presently there are 288,817 residents in the 14-county area.

PIPER BAND WINS CONCERT TROPHY AT LAMESA FESTIVAL

Last Friday and Saturday the Hamlin High School Band participated in the Fourth Annual Lamesa Band Festival. The band received the concert trophy for class AA, while Tulsa received the sightreading trophy. Memphis High School won both trophies in class A.

Presenting its program at 2:00 p.m., Saturday, the Hamlin band played "Coat of Arms" march, "Elsa's Procession to the Cathedral" and "First Swedish Rhapsody". Judges for the concert contest were Joe Frank of Richardson and Dr. Clarence Sawhill of UCLA in California. The sight reading judge was R. C. Davidson of Plainview.

On Friday evening preceding the contest on Saturday, the Hamlin stage band participated in an evening of entertainment at the Lamesa High School auditorium. The program also featured the Lamesa stage band, local talent, the stage band from Texas Tech College, and the Slum Town Sin-funnie, a musical comedy group of Lamesa businessmen.

Following the contest on Saturday, the Texas Tech Concert band presented a concert. Under the direction of Dean Killian, the band presented a magnificent program highlighted by the fourth movement of Rhythmic - Korsskov's "Scheherazade" and "Civil War Fantasy," an arrangement of folk songs, popular tunes and patriotic songs of the Civil War period.

Piperettes Fall In Regional Tilt

The Piperettes fell by the wayside Friday in the first round of the Region I, Conference AA, tournament held in Lubbock, when they lost to the Granbury Pirates, 67-42.

The Piperettes trailed in all four quarters of the game with the Pirates making big gains in both the second and fourth quarters.

At the end of the first period the Piperettes were behind 13-10 and the roof fell in on them in the second stanza, as they went to the dressing room at half time with a 39-18 deficit.

Six File for Two Places on Council; Mayor Unopposed

A six man field will be seeking two places on the city council that will become vacant next month. A check with Mrs. H. M. Barrow, city secretary, revealed that by noon Saturday, filing deadline, the six men had filed for the two places as aldermen and that Hellis W. Madden is unopposed in his bid for re-election as mayor.

The six men who have filed for aldermen are: Floyd Clifton, re-election; George Poe, re-election; Edward Gardner; Glen Howard Williams; John Hix; and Bill D. Davis.

The election will be held Tuesday, April 7, in the City Hall.

ANSON SCHOOL DISTRICT TO USE COUNTY PROPERTY VALUATIONS

An agreement was reached Monday between the Jones County Commissioners Court and the Anson Independent School District whereby the school district can use property valuations as determined by a county-financed survey.

The district has agreed to pay \$4,000 for valuations as determined in the district and will pay an additional \$250 for this information placed on survey cards.

Cagle Hunt, superintendent of Anson schools, and John Farnsworth, tax assessor-collector, met with the commissioners court Monday. Mr. Hunt said he was authorized to offer \$4,000 for the survey inasmuch as his board did not know exactly how many pieces of property would be involved. The court had offered the survey on a so much for entry basis.

A representative of McMorris & Co., the Amarillo firm which is making the survey, estimated the cards on the Anson district would cost about \$500 and the county agreed to absorb one-half the cost.

Mr. Hunt explained that the Anson district likely would want to pay for the survey over a 4 year period, \$1,000 a year. This was acceptable to the county.

The tax survey is to be complete by Aug. 1. Field work has been completed in Anson and information is now being placed on file cards.

The county commissioners agreed to purchase water testing equipment to be kept in the office of County Agent Kirby Clayton. Judge Leon Thurman said he was approached by A. C. Humphrey in behalf of the Mid-Brass Pollution Control district for the county to support the program.

"I told him," the judge said, "that we would be glad to cooperate with the district in every way possible but that the county was not in position to make financial contribution."

Granbury took advantage of eight Hamlin miscues in the second quarter, turning each one of them into two pointers. The Piperettes gained one point on the Pirates in the third quarter, scoring 14 points to the victors' 13.

In the fourth quarter Granbury went into a stall and increased their lead to 25 points at the free throw line as the Piperettes tried to gain possession.

Barbara Lakey hit 75 per cent of her shots, hitting 15 of 20 shots. High rebounders were Lakey with six and Phyllis Scarborough with five.

THE MINISTER SPEAKS—
TRUE DISCIPLESHIP

By Rev. Lenard Hartley
Pastor, First Baptist Church

Discipleship is not self-seeking, but self-denial. When selfish thoughts molest and toolish ambition creates jealousy, sin spoils. True discipleship is crowned in self-devotion. Jesus Christ gave us a true example of grace and humility as He came from the eternal state to the lowly place of man's life. Jesus makes the greatness of God as He stooped to wash the feet of the disciples. A true disciple will seek to meet the demands expressed in Phil. 2:5-11. "Let this mind be in you, which was also in Christ Jesus. Who, being in the form of God thought it not robbery to be equal with God; But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men; and being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross. Wherefore God also hath highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth: And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father."

Christ loves with a complete love. One that never lets one down or lets one go. In John 13:34 Jesus said, "A new commandment I give unto you, that ye love one another, as I have loved you, that ye also love one another." If one has this love

it will determine his path in life and lead him to demonstrate what it means for one to be a true disciple.

Should someone, who is not a Christian, choose you for instance and seek to follow you in all your ways would be led to Jesus Christ?

A Christian's dedication should result in Christlike living that would light a path which would lead to the foot of the cross in faith and surrender.

After a person has become a Christian, should he choose to follow you, would he be led to Christian maturity so that in all his ways he would grow up into Christ? True discipleship calls for separation. In order for this to be done one must deny himself. Jesus said, "If any man will come after me, let him deny himself, and take up his cross, and follow me." Matt. 16:24. Disciples are challenged to suffer patiently as they follow in the steps of Jesus. I Peter 2:20-21 "For what glory is it, if when ye be buffeted for your faults, ye shall take it patiently? but if, when ye do well, and suffer for it, ye take it patiently, this is acceptable with God. For ever hereunto were ye called: because Christ also suffered for us, leaving us an example, that ye should follow in his steps."

A true disciple is to lose self in service. One is to give himself in service to others in the church and outside the church. The lowly way is the Lord's way. Humble and Christlike service is the rank of royalty before God's throne.

D. C. Andrews of Hamlin High School was given a one-year contract with the school when the board of trustees met last week in special session. His contract now runs through the 1961-62 term.

Named as an Area IV candidate for state office in the Texas Future Homemakers of America at a recent meeting of hundreds of FHA girls of Central West Texas and North Texas Schools was Ann Richey, Hamlin High School Junior, the daughter of Mrs. Jack Richey.

TEN YEARS AGO:

An \$80,000 project to construct a three story addition for Sunday School facilities, and expand the auditorium to seat 125 more people was approved by members of the First Baptist Church Sunday evening.

Names of O. D. Roland for mayor and J. C. Culbertson for Alderman were filed on the city election ballot just before closing time Saturday noon.

FIFTEEN YEARS AGO:

W. C. Russell, Dr. J. T. Harcott and Stanley Carmichael left Sunday night for a fishing trip in Mexico.

Henry W. Stanley of San Antonio has been named as speaker for the annual membership banquet of the Chamber of Commerce set for next Thursday evening.

TWENTY-FIVE YEARS AGO:

Wednesday R. E. Johnson, T. E. Harden and W. Russell, of Hamlin and Mr. Staggs of Stanton left for Washington, D. C. on business concerning cotton. They are going by auto and will come two different routes of interest.

THIRTY-FIVE YEARS AGO:

Gibson Chevrolet Company announces that a quarter of a million of the new six-cylinder Chevrolets are now on the road, prices begin at \$525 for the roadster.

Repairing The Eyeglasses

A good way to ruin a fishing or hunting trip is to lose the tiny screw that fastens the ear piece to your glasses. To fix it, temporarily, remove the staple from a match book cover. It will serve as a substitute until you return to civilization. A straight pin also works quite well.

The fulfillment
of God's word.

In the Old Testament Our Lord's birth, death, and also His resurrection were foretold. These events were proclaimed and written about long before Jesus came to earth. God saw that these prophecies were fulfilled—that these things were accomplished. Hosea 6:2 prophecies Christ rising from the dead. The scriptures say that Jesus is now alive, that He sits on the right hand of God and intercedes for us, and that as He rose from the grave, we, who are in Christ, will rise also. On this commemorating Easter let us all be in God's house to rejoice in this promise.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

OLD GLORY...

The Old Glory boys' basketball team made a trip to Austin last week end to see the State boys basketball tournament. The trip was sponsored by the school and the men teachers accompanied the boys. Several other boys and men made the trip also. The group left Old Glory at 3:00 a.m. Friday morning and returned Sunday afternoon.

Those who went to Austin were Donald Boles, Larry Flow, Jerry Hahn, Marvin Vahlenkamp, Joe Mack-Boles, Charles and Stanley Diers, Danny Letz, Danny Lannert, Gary Moore, Mike Balder, Clifford Gholson, Kenneth Jones, Jimmy Leverett, Larry Quade, Mr. Leverett, Mr. Pritchard, Mr. Beason, Mr. Johnston, H. A. Boles, Jack Jones, Sprout Balder, and C. T. Pierce.

Old Glory Teachers who attended the District 7 Teachers' Meeting in Sweetwater last Friday were Mrs. Very Bell, Mrs. Ruth Flannagan, and Mrs. Maxine Klump.

The Old Glory annual school Fun Festival will be held on Friday, April 3. The classes have chosen their projects and will be working on them in the days to come.

Students are also beginning to work on spring interscholastic League events. Rehearsals have started for Old Glory's contest play, "When the Wind Blows". Members of the cast are Donna Pierce, Marva Jean Dudensing, Linda Gholson, Judy White is alternate and assistant. The contest will be held on the night of April 10 at Hawley.

The members of the Home-making III class hosted an Italian dinner for the seniors and the high school teachers in the school study hall recently.

The menu featured Italian style spaghetti with meat sauce, tossed salad, garlic bread and ice cream. Red checked cloth on the tables combined with various graduation items and Italian phrases to make a gay setting for the affair.

The Old Glory 4-H Junior Leader Club met last Thursday, March 6, to elect officers. Marvin Vahlenkamp was elected president, Charles Diers, vice president, Stanley Diers, treasurer, Nancy Vahlenkamp, secretary, Carolyn Sander, historian, Stephanie Letz, reporter, Judy White and Mike Balder, recreational leaders, and Clifford Gholson, parliamentarian.

The club will meet on Wednesday afternoon every other week.

The Grade School 4-H boys met in the Science room for their recent meeting. Russell Letz gave a good report on Water Safety. The boys played blackout bingo, and Herby Woodridge won 6 packages of gum. The other boys won candy bars.

VARIETY CLUB

The Old Glory Variety Club met Tuesday, Feb. 25, at the home of Mrs. Beno Hertenberger as hostess. A devotional period included a club poem, prayer led by Mrs. A. R. Sawyers, and group singing.

The hostess, who is a Gold Star Mother, showed a Service record which she and her husband received 21 years ago, after their son, Jean, did not return from service in World War II.

The record has 61 names inscribed on it of area men and boys who served in World War II. Jean Hertenberger's name appears on the top of the first Old Glory soldier killed in action. The hostess asked each one present to write names of as many servicemen from the

ford visited Mrs. Katie Gerloff and Mr. and Mrs. Beno Hertenberger recently.

Kenneth Spitzer, student at West Texas State at Canyon visited his parents, Mr. and Mrs. Garrett Spitzer, last week end.

Mr. and Mrs. Charlie Letz visited their son, Mr. and Mrs.

Roger Letz and children, in Ft. Worth last week.

Mrs. Willie Tredemeyer Jr. observed her birthday on Sunday, March 1, at her home. A dinner was served to forty-three and games were played. Mr. and Mrs. Ray Boles, Terry and Gary of Grand Prairie visited in the home of his par-

ents, Mr. and Mrs. L. B. Boles, this week.

An election will be held on April 4th to elect two trustees for the Old Glory School District. The terms of Willie Baitz and C. T. Pierce are expiring. Both were petitioned for re-election. No one else announced for the office.

This school district will also vote for County-trustee-at-large. There are no candidates for this office. Mr. George Rhoads of Old Glory and J. T. (Hap) Hill of Aspermont.

Mr. Rhoads operates a grocery store here, he is a former teacher of the Old Glory School and holds a Masters Degree.

Since dawn this Monday morning, we have had all kinds of weather. At first glance out, it was cloudy but nothing fall

By MRS. ELMER JOHNSON

ing, after another little snooze we peeped out and discovered the ground was almost covered with snow. For a short while it

tell in huge flakes, looking as if this was going to be that big snow we had been looking for, then suddenly it quit, leaving the thin mantle of white over everything. Less than two hours later the sun is shining and the snow is almost gone, the wind is blowing from the north,

reminding us that it is still March in West Texas. Woodrow Goodwin has been sick with a case of flu, for the last week. Mrs. Joe Ford was able to be in church Sunday morning, for the first time in five weeks, we hope she continues to im-

prove. We are sorry to report that George Wainscott has not been feeling very well, since coming from Dallas, and has decided to have surgery as soon as it can be arranged. He will be in the Hendrick Hospital, with Dr. Meadows, specialist in chest

surgery, operating. We are hoping that the surgery is a success and he will be well once again. Keenan Wright has recovered from his case of chicken-pox. Mrs. Jimmy Henry and two daughters, Midland, spent Saturday night with Mr. and Mrs.

E. A. Henry. Bobby Henry also came to visit with Mr. and Mrs. Henry again last week end. Mrs. Henry says she isn't fooled, he isn't coming to see grandma, from

observation it seems to be a rather cute little "grandma" that is attractive out Hamlin way. Boyd was to go in service soon, but since he is teaching school at present, he has been deferred for a while. Larry Tanner spent the week end again with his sister, Rev. and Mrs. Kenneth Leveritt, Kimmy and Kristy, still helping them with their house remodeling. Their mother, Mrs. Tanner, went to Lubbock to attend a teachers meeting. Mr. and Mrs. Fred Rosenbaum and Mr. and Mrs. Winson Gray, were Sunday afternoon visitors of the R. M. Jones. Mr. and Mrs. Flavil Holmes visited with the George Wainscotts, Saturday night. Mr. and Mrs. Bill Johnson, now living in Dallas, spent Saturday night with Mr. and Mrs. Jack Wright and children.

County Invests Money Until Needed

Jones County has put its surplus money to work and at the end of February had \$127,000 invested in government securities. Of this amount, only \$13,000 is general fund money—money that is used to carry on the day to day business of the county. As explained by County Auditor Carl Savage, this money represents tax collections and will gradually be spent as the year goes on. Largest single item is \$49,500 in the permanent improvement fund. Funds of Road District No. 1, which includes roughly the northern half of the county, total \$32,500. Road District 10, the southern portion of the county, has \$32,000 invested. Interest rates run from 2 5/8 to more than 4 per cent.

April Draft Call Down from March

AUSTIN.—The state draft quota for April calls for 449 men compared to 610 for March. Colonel Morris S. Schwartz, state Selective Service director, said Wednesday. The state quota of 449 for April is the Texas share of a national call for 12,000 men, all for the Army. The state Selective Service director also announced pre-induction physical and mental examinations for 6,000 men in April. Local board quotas for the April call are scheduled to be mailed to the state's 137 local boards on March 11. The April quota will be filled mostly with men who are volunteers under 26 years old and nonvolunteers ages 19 through 25. Most of them will be 22 years old. No man whose draft board file reflects that he is maintaining a bona fide family relationship with a wife or a child or children will be selected in response to this call. Fruit of the Rio Grande palmetto is edible and can be bought in the Matamoros market.

COIN CLEAN OWNER WINS PRIZE IN NATIONAL LAUNDRY EVENT

Mrs. George Kinney, owner of Coin Clean Center in Hamlin and The Wash Pot in Stamford, is shown with the new Blackstone coin operated washing machine which was awarded her as third place winner in Laundry and/or Dry Cleaning Division of a national contest sponsored by "Coinmatic Age," a national trade journal of the coin operated laundry and dry cleaning industry. The new washer has been installed in The Wash Pot, Stamford.

Area City Officials To Meet Friday In Abilene

City officials from the big "Hub of Texas" Region of the Texas Municipal League will take a new look at their modern roles and responsibilities at a meeting March 13 in Abilene, it was announced today by Mayor Ell Mathews of Sweetwater, president of the region.

"We expect as many as 100 mayors, councilmen, city managers, and other municipal officials," Mathews said. "The meeting offers an unusual opportunity to get the statewide perspective, from authoritative sources, on the problems facing Texas city governments and the expanding obligations of leadership imposed by urban growth on the local official."

Highlighting the meeting this week in Abilene will be addresses by TML President W. B. Strange, mayor pro tem of Richardson, and Steve Matthews, League executive director from Austin.

Strange will discuss "The Emergent Role of Municipal Elected Officials in the 1960's." TML Region 6 (Hub of Texas) comprises 53 cities in 19 counties. Regional officers, in addition to President Bill Matthews, include Vice President, Harry Steenson, City Manager, Stamford; Secretary, Miss Lila Fann Martin, City Secretary, Abilene; and TML Director, W. Lee Byrd, Mayor, Abilene.

Commercial Washer Division The Blackstone Corporation, Jamestown, New York, furnished the third prize and sent a long a letter congratulating Mrs. Kenney on her winning promotion and her progressive growth in the coin operating laundry and dry cleaning industry. The Blackstone washer features four-temperature selections for washing, stainless steel lid and top, automatic loadbalancing, full cycle safety switches, and high speed extraction for reliable performance and efficient service.

The 15th Anniversary Contest for the Best Promotion Idea of 1963 was open to owners and operators of coin operated laundry and/or dry cleaning stores. Entries were judged on three points: adaptability to the specific location concerned; direction to the right market area; and cost.

Mrs. Kenney's entry told of the use of envelope disposing boxes mounted on each dry cleaning machine in her stores to dispense envelopes each time the machine is operated. "Pink slips" worth \$1.00 cash appear in the envelopes at various intervals. To date 131 persons have received "pink slips" which have been redeemed at Coin Clean Center, Hamlin, or The Wash Pot, Stamford, for one dollar each.

MRS. CHARLES SIMPSON
former Caron Knabel

CARON KNABEL AND CHARLES SIMPSON EXCHANGE VOWS

Mr. and Mrs. Gene Knabel are announcing the marriage of their daughter, Caron, to Charles Simpson, son of Mr. and Mrs. D. C. Simpson.

The couple was married Friday evening at 8 p.m. in the chapel of the First Baptist Church. The double ring ceremony was read by Rev. Royce Womack, pastor of the First Methodist Church.

Given in marriage by her father, the bride wore a street-length of white satin designed with fitted bodice, scalloped V neckline and long tapered sleeves. The elbow length veil of white net was attached to a headband of white organza accented with seed pearls and iridescent. She carried a cascade arrangement of blue poms and white roses.

Mrs. Glen Parker of Wichita Falls was matron of honor for her niece. Junior bridesmaids were Brenda and Alice Simpson, sisters of the bridegroom. Best man was Curtis Payne, Phillip Simpson, brother of the bridegroom, and James Knabel, brother of the bride, were junior groomsmen and candlelighters.

Members of the immediate families were guests for the wedding and the reception which followed in the Fellowship Hall of the church hosted by the bride's parents.

The bride is attending Hamlin High School and will graduate this spring. She was formerly a member of the Library Club, Spanish Club and the Future Homemakers of America.

Simpson attended Abilene High School prior to joining the Navy. Following his discharge he was employed in Abilene and is now employed by J. O. B. Construction Co. here.

The couple is at home at 121 N. W. Fifth Street.

County HD Leaders Shown Care of Electric Blankets

"The care of Electric and Woolen Blankets" was demonstrated for Jones County Home Demonstration leaders that was conducted by Mrs. Earlene Horton, Home Economist of West Texas Utilities and Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent, at the home of Mrs. Horton in Stamford with thirteen women attending. Mrs. Mary Jo Leverett, Haskell County Home Demonstration Agent was a guest.

The general rules to be observed in washing electric and woolen blankets are: Wash once at a time, measure the blanket before laundering, use correct water temperature, select proper cleaning agent, pretreat, dissolve laundry aids.

The soak, agitation and hand methods of washing were discussed, as well as, drying, storing, and pointers on the care of electric blankets.

Details of washing electric and woolen blankets are in the L-567 bulletin, "Home Care of Woolen Blankets." A copy may be secured from the Home Demonstration Agent's office in the courthouse.

The leaders who attended will be giving the demonstration to their own clubs.

Mrs. L. H. McBride Gives Book Review For Literary Club

Mrs. L. H. McBride reviewed "Does It Make Into a Bed" by Lorna Novak for the Friday meeting of the Women's Literary Club. The humorous book was written in a Texas setting, beginning in the "dust bowl" days in the Plains.

Jane Ellen Cudd Honored with Gift Tea Here Friday

Jane Ellen Cudd, bride-elect of Lt. Cecil Paul McMullin, was honored Friday evening from 7 to 9 with a gift tea in the home of Mrs. Loyd Burkhardt. Guests were received by Mrs. Burkhardt, the honoree; her mother, Mrs. Thomas Cudd, and Mrs. Tim Cudd of Big Spring, sister-in-law of the bride.

The table was covered with a white satin cloth with a ne over skirt. The centerpiece was an arrangement of Bettertime roses flanked by two tall candelabras and service of crystal.

The hostesses were Misses Loyd Burkhardt, Harold Bonner, Horace Daniel, John Green, Eddie Jay, Jerry Jay, L. V. Miller, C. B. Owen, Bob Tegart, Elmer Terrell, David Wade, and A. A. Wade.

Mrs. Jerry Jay and Mrs. David Wade served at the table.

B&PW Club Holds Dinner Meeting Tuesday Evening

The Business and Professional Women's Club met Tuesday night for their dinner meeting at the primary cafeteria with Mrs. W. F. Britton, presiding.

The club collect was given as the invocation.

The program was under the direction of the Career Advancement Committee with Mrs. Rosa Lee Scott chairman, Mrs. John V. Howard Jr., Mrs. I. R. Witt, Betty Jean Dillard and Mrs. James L. Harrison.

Guest speaker, Mrs. Jo Ann Wiley of Stamford was introduced by Mrs. Scott. Mrs. Wiley spoke on "Careers Unlimited for Women". She reported that there are 30,000,000 in labor force of the U. S. Mrs. Witt and Mrs. Howard gave their personal experiences in career advancement.

Mrs. Britton announced that the business meeting March 24 will be in the home of Mrs. Opal Smith, by invitation. It will be a covered dish supper.

Mrs. J. L. Blanton Jr. was a guest.

The Easter Motif was carried out in decorations and plate favors.

SENIOR PLAY TICKETS NOW ON SALE; SET FOR MARCH 20

The Hamlin Pied Piper Band dents Friday night.

took first place trophy for Concert at the Lamesa Invitational Band Festival Saturday. Memphis High School Band won first place honors in both Concert and Sightreading in Class AA. While Tulia High School received the trophy for AAA honors went to Brownfield High School. Other bands competing in Class AA were Tulia, Post, and Snyder (Second) High School Band.

Dr. Clarence Sawhill, Joe Frank, and R. C. Davidson were judges for the event. Guest bands for the event were the Texas Tech College Band and Stage Band, "The Slum Town Symphony", the Lamesa High School Stage Band, the Hamlin High School Stage Band, a group of folk singers, the "Roadrunners", and the Texas Tech Stage Band providing entertainment for the students.

Tickets for the senior play, "The Worm Small Squirm", are on sale and may be purchased from any senior. The play will be presented at 8:00 p.m. Mar. 20, 1964, in the Hamlin High School Auditorium.

Twenty-three juniors took the 1964 National Merit Scholarship Qualifying Test, Tuesday, Mar. 10. The test is a three hour examination of educational development, and it is the first step in the competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, colleges, associations, unions trusts, and individuals.

National Educational Development Tests were given to twenty-three sophomores Tuesday, March 10. These tests emphasize broad intellectual skills—what students can do with what they have learned—rather than mere knowledge of facts. There are five different parts of the test, and each student receives five standard scores as well as a composite score that can be used as an index of overall educational development.

Seniors took an Air Force Aptitude Test last Wednesday to help determine which field to choose as a career.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — U. S. Supreme Court says the present line-up of congressional districts is unconstitutional, still is far away, according to Gov. John Connally and Atty. Gen. Waggoner Carr.

For
COLDS
and
FLU

ance in size of any state, ranging from 214,000 to 980,000 population. This, the high court said, is not fair and it must be corrected.

Because the 1964 elections already are under way the Supreme Court allowed Texas 30 days in which to ask a three-judge Federal court in Houston to determine the effectiveness of the order.

Governor Connally is sure the court will recognize the fact that absentee voting will begin on April 12 and that filing deadlines already have passed. He insisted that the major

legislative surgery required cannot be done in a 30-day special session which starts Jan. 12. He felt the Court would agree that it now is too late to re-district for 1964 elections.

TRAINS GOING — Passenger trains continue to disappear from the Texas scene. Latest moves are by the Chicago, Rock Island & Pacific Railway Co. and the Fort Worth & Denver Railway.

They want to do away with the Fort Worth to Houston run of the Twin Star Rocket.

Texas Railroad Commission will hear this proposal on May 12 in the Dallas City Hall.

SALT WATER — Texas Water Pollution Control Board agreed, after three public hearings, to outlaw the use of unlined surface pits for disposal of oilfield salt water in eight South Plains Counties.

Oil and gas operators were given until September 1, to make other arrangements for disposal of their brine. Water-users in the area, which con-

tains the greatest irrigation section in Texas, had complained that the oilfield salt water was seeping into fresh water strata known as the Ogallala formation.

Covered by the no-pit order are Bailey, Cochran, Dawson, Hale, Hockley, Lynn, Swisher and Terry Counties.

COURT SPEAKS — Texas Supreme Court, in a decision with far-reaching consequences, has ruled that holders of paid political office are ineligible to run for the Legislature during their present terms.

Specifically, the Court ordered the Taylor County Democratic Committee to remove the name of Dist. Atty. Tom Todd from the ballot as a legislative candidate.

Supreme Court also ordered a new trial in a case hinging on the question of whether newspaper carriers are independent merchants or employees of the publishing company.

Suit was brought by Gerald Witt Love against Newspapers, Inc., and C. E. Cagle, contract carrier for the newspapers, following an auto collision. Lower courts found for Love. However, the new decision held the independent contractor issue had been improperly submitted to the jury. Earlier decisions have supported the position that a newspaperboy or carrier is an independent agent and not an employee of the publication.

In other action the Supreme Court: ... Held a legislative act cannot be nullified by a state agency's regulations. Case involved coastal fishermen absolved of violating an agency order outlawing net fishing in the Chambers County part of Galveston Bay.

... For the second time refusal to accept a mandamus petition aimed at keeping all who saw telecasts of the slaying of Lee Harvey Oswald off the Jack Ruby murder trial jury.

... Reversed lower courts and ruled that a physician hired part-time as a company doctor is not an employee of the company.

SUPER-AGENCY BACKED — Governor Connally's Committee on Education Beyond the High School will recommend that the Legislature set up an 18-member state coordinating agency with jurisdiction

over both junior and senior colleges and universities, says Chairman H. B. Zachry.

Committee has been under fire from state capitol newsmen for holding closed-door sessions. Zachry defended the policy but hinted that reporters will be allowed in on at least part of future meetings.

TEACHING STANDARDS APPROVED — Texas Board of Education approved new standards for training of school teachers and administrators and a special in-service training linguistics course to help teachers teach students to express themselves better.

Minimum foundation school program costs were pegged at \$555,000,000; the 1964-65 local fund assignment (local school district share) at \$111,000,000.

A pilot program concentrated study for migrant students now operating in Edinburg, McAllen and Pecos-San Juan-Alamo, Weslaco and San Antonio will be expanded to 10 districts next fall.

Board members approved a request to dissolve the Liberty County Junior College District, dormant since its creation in 1958.

SHORT SNORTS — Governor Connally used some of his authority to allocate \$2,350 to pay National Guard troops called to active duty on Feb. 4 during Panhandle blizzard. ... Dr. Dorman H. Winfrey of the Texas State Library reports that 42 Texas cities spent \$13,100,000 on library construction during 1963. ... State Selective Service Director Morris Schwartz said Texas' draft call in April will be 479, against March's 510. ... Texas Industrial Commission's short courses on local industrial attraction, called Texas Industrial Planning Seminars or TIPS, are becoming so popular that the commission's director, Harry W. Clark has scheduled three a week throughout the month of April and May. ... Air Pollution Control Association gave the state Department of Health a certificate of award for its work in educating Texans as to the need for prevention of air pollution. ... Governor Connally named Thomas F. Anderson, operations manager of the Alcoa plant at Point Comfort, as manufacturers' representative on the Texas Water Pollution Control Board to replace C. M. Shigley of Dow Chemical Company, Freeport, who resigned. ... San Antonio will be the site of the Southern Governors Conference from October 10 to 14. ... Kuyk Logan, city editor of the Oklahoma City Oklahoman has resigned that position to become publicity director for Don Yarborough's campaign for governor. ... State Banking Board approved a charter for Quinlan State Bank in Hunt County, accepted applications for Yorktown Community Bank and Expressway Bank and Trust of Dallas. Guaranty Bank of Lubbock application was withdrawn. ... Texas farmers and ranchers received less for their products in mid-February than in January, United States Department of Agriculture reported. ... Texas business activity index rose to a new all-time high during the first month of 1964. University of Texas Bureau of Business Research statisticians reported. ... W. G. Wally Jr. of Beaumont and James F. Parker of Kountze were the only two candidates filed as Democratic candidates for judge of the Beaumont Court of Civil Appeals at the end of the extended filing deadline.

... For Liveller Worms To keep an earthworm alive longer, while on the hook, try hooking it under the breeding band and out through its head, rather than through the body. So hooked it also will attract more fish.

For Smoother Knots When you tie a monofilament leader to your nylon line put a drop of clear fingernail polish on the knot. When it dries, put on another drop. You'll discover that this will cause the line to slip easily through the rod guides, just as if there was no knot at all.

Don't Discard Ice Chest Mr. Camper: When that old ice chest develops a leak, get a new one. But don't throw the old one away. It's fine for miscellaneous storage. Keeps dry foods dry and moist foods moist, too!

LEDDY BOOT & WESTERN WEAR

Before going fishing, place your wallet in a plastic bag and seal it tight before putting it back into your hip pocket. Then, if you get wet, contents of the wallet will remain dry.

Hardy Hack Saw Blade If you are a deer hunter, try slipping a hacksaw blade into your knife sheath prior to going afield. It will come in handy for cutting the pelvic bone of your deer.

FILMING OF TWC-REEL COMEDY PLANNED HERE; USING LOCALS

A movie patterned after the "Our Gang" Comedy series that once flashed on movie screens throughout the nation to delight adults and children alike will be filmed in Hamlin — with Hamlin children.

Melton Barker will arrive in Hamlin soon to produce the two-reel comedy, according to Darwin Barnes, manager of the Rogue Theatre here. Around 100 children will be used in the cast.

Mr. Barker said it would take about two weeks to assemble the cast and rehearse so that the actual filming can be done. Another week will be required for the shooting.

Children between the ages of three and fourteen who wish to try for parts were told to register at the Rogue Theatre. When the casting director arrives, he will get in touch with those who have registered and arrange for tryouts.

The finished picture will be shown at the Rogue on a date to be announced. There will be scenes from various points in the county, including shots of school bands and other groups.

HIGH SPEED

Plymouth rocks racing world with sweep in Daytona "500"

According to the record book for stock cars in competition, there is no higher average speed for 500 miles than the 154.334 m.p.h. set by a competition-equipped 1964 Plymouth in winning last month's Daytona "500."

Adding to that glory is the fact that two more 1964 Plymouths finished 2nd and 3rd for a decisive Plymouth sweep. That suggests that Plymouths were not only the swiftest cars in the competition, but that they're built to stay in there all the way.

For the millions of racing fans and high-performance enthusiasts across the country, Plymouth is proud of its "high speed" victory at Daytona.

YOUR SPEED

Plymouth beats Ford & Chevrolet in tests of showroom V-8s

This competition was more "your speed." At Plymouth's request, an independent testing company bought and compared showroom models of Plymouth, Ford and Chevrolet.

The cars were comparably equipped standard V-8s — cars people buy. And the tests were of "things people buy a car for" — acceleration, handling, braking, and gas economy.

In test after test, Plymouth accelerated best, handled best, braked best, and got the best gas mileage. This is the kind of competition Plymouth most likes to win. "High speed" or "your speed," these 1964 Plymouths are tough to beat!

News and Views . . .

and what have you

by BOB CRAIG

In the sports section of Friday's issue of The Houston Post Neal Branscum of Hamlin was mentioned as surprising performer for the Rice Owls. The article is being reprinted to be of interest to local readers who remember Neal from his high school football career. He is the son of Mr. and Mrs. Dan Branscum and was graduated here in 1962.

So who's looking good in Rice's spring football practice?

Coach Jess Neely looked as though he was hoping somebody would ask the question.

"Neal Branscum," he answered immediately.

Neal Branscum? Neely helped with the spelling of his name since he was buried so far down in the Owls' prospect list.

Branscum is a 220-pound red-shirt tackle from Hamlin, and he could relieve an acute problem at Rice.

He looked exceptionally good on defense Thursday when Rice stressed fundamentals and got in some spot scrimmage ticks.

"I just saw him out in the hall," Jess went on, "and I congratulated him on his improvement. I told him he'd better not disappoint us and go back to his old way of playing."

"He said, 'What would you do, kick me?'"

"I told him no, but I'd sure get a stick after him."

The Owls took Friday off and then held a game-type scrimmage in Rice Stadium Saturday afternoon marking their 13th day of spring drills.

A great deal has been written concerning the Supreme Court's decision concerning congressional redistricting in Texas. A great many people seem to be upset that the court has stepped into this matter. But this is again a situation where the State's have given up some more of their rights by their lack of action.

Apparently this is the only way that the various state legislatures will do the job which the law says they shall do — redistrict after every federal census.

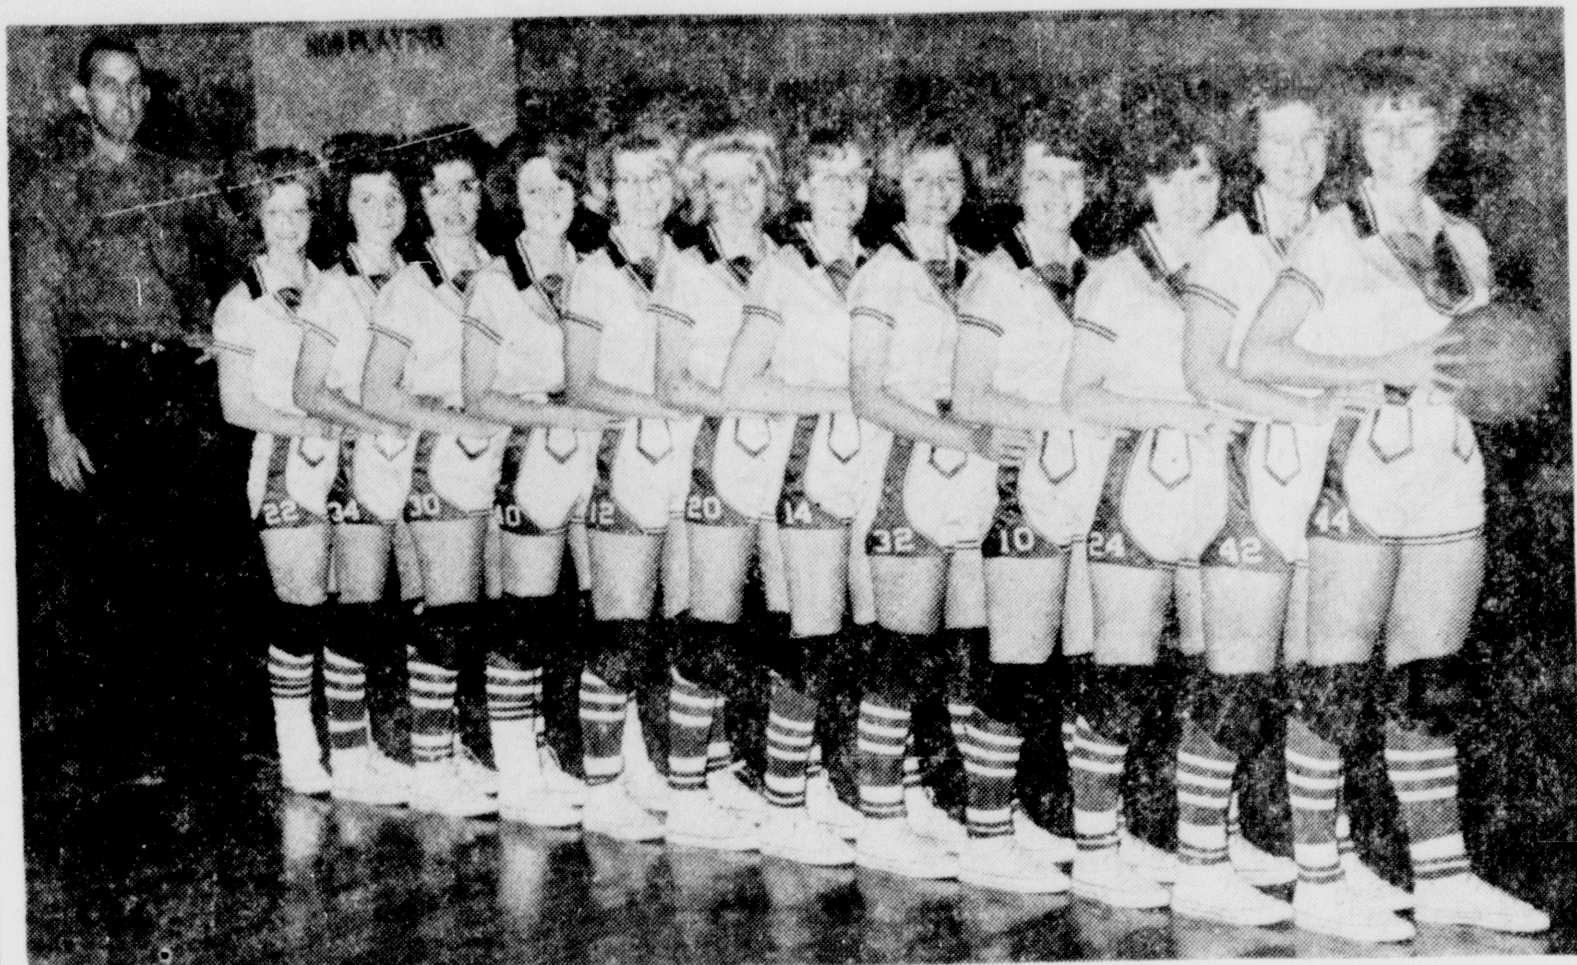

The big problem for the Texas legislature in the past has been that they always try to refrain from combining districts in such a manner as to force one congressman to run against another.

If the state redistricts in the manner that the courts have ruled they shall, there is no question but what the people in West Texas will lose some of their representation. But this does not mean that the courts are wrong, it just means that we have had more than our share of congressmen.

The constitution was written so that the people would have equal representation in congress and the states would have equal representation in the senate.

When Dallas County has a population of 951,527 with one district on the east, Sam Ray-burn's district, and the adjoining burn's old district, has but 216,311 inhabitants, something is obviously wrong.

With the figure of 416,500 as the goal to shoot for it means that Conz Omar Burleson's district, No. 17, will have to be enlarged by some five or six counties. Presently there are 288,817 residents in the 14-county area.

Rites Held Here for Former Resident, C. R. Binnicker, 58

Funeral services were held here Sunday, Mar. 1, for C. R. Binnicker, 58, former Hamlin resident who died at 5:10 a.m. Saturday, Feb. 29, at his home in Anson.

Services were held at Hamlin Church of Christ with Church of Christ ministers, Thomas Cudd of Hamlin, Orvis Vandiver of Rule and Curtis Ramey of Anson officiating. Burial was in the Hamlin East Cemetery.

Born March 28, 1905, in Bosque County, he was the son of the late Mr. and Mrs. J. P. Binnicker. He was married to the former Helen Irene Greenhaw in Stamford Dec. 11, 1926.

A member of the Anson Church of Christ, he was a contractor by profession. He had lived in Anson eight months.

Survivors include his wife, two sons, Lonnie, of Casper, Wyoming, Charles of Richardson; one daughter, M. A. (Eloise) Winslet of Hugo, Okla.; two brothers, Henry of Hamlin, Clarence of Lorenzo; three sisters, Mrs. F. W. Wedeking, Mrs. Virgil Ivy, both of Stamford, Mrs. Ada Little of Odessa, six grandchildren.

Junior High Elects Class Favorites

Junior High School favorites selected for the current year were announced this week.

Phillip Simpson, son of Mr. and Mrs. D. C. Simpson, 212 West Lake Drive, and Pauline Womack, daughter of Rev. and Mrs. Royce Womack, 210 Northwest Ave. A, were chosen eighth grade class favorites.

Seventh grade favorites are Bill Johnson, son of Mr. and Mrs. W. T. Johnson, Southwest Ave. J, and Jane Hymer, daughter of Mrs. Mildred Hymer, 112 Southwest Ave. C.

Billy Hodnett, son of Mr. and Mrs. Wayne Hodnett, Rt. 1, and Dianne Neal, daughter of Mr. and Mrs. Doc F. Neal, Rt. 2, are sixth grade favorites.

Rainfall Here .23 in.

Rainfall which started Sunday evening and continuing through Monday morning totaled .23 inches. Snow early Monday accounted for a part of the moisture. The snow melted quickly as the sun came out and mild temperatures Monday afternoon were typical of West Texas weather.

PIPER BAND WINS CONCERT TROPHY AT LAMESA FESTIVAL

Last Friday and Saturday the Hamlin High School Band participated in the Fourth Annual Lamesa Band Festival. The band received the concert trophy for class AA, while Tullia received the sightreading trophy. Memphis High School won both trophies in class A and Brownfield High School took AAA competition.

Presenting its program at 2:00 p.m. Saturday, the Hamlin band played "Coat of Arms" march, "Elsa's Procession to the Cathedral" and "First Swedish Rhapsody." Judges for the concert were Joe Frank of Richardson and Dr. Clarence Sawhill of UCLA in California. The sight reading judge was R. C. Davidson of Plainview.

On Friday evening preceding the contest on Saturday, the Hamlin stage band participated in an evening of entertainment at the Lamesa High School auditorium. The program also featured the Lamesa stage band, local talent, the stage band from Texas Tech College, and the Slum Town Sin-funnie, a musical comedy group of Lamesan businessmen.

Following the contest on Saturday, the Texas Tech Concert band presented a concert. Under the direction of Dean Killian, the band presented a magnificent program highlighted by the fourth movement of Riksky - Korsakov's "Sheherazade" and "Civil War Fantasy," an arrangement of folk songs, popular tunes and patriotic songs of the Civil War period.

Piperettes Fall In Regional Tilt

The Piperettes fell by the wayside Friday in the first round of the Region I, Conference AA, tournament held in Lubbock, when they lost to the Granbury Pirates, 67-42.

The Piperettes trailed in all four quarters of the game with the Pirates making big gains in both the second and fourth quarters.

At the end of the first period the Piperettes were behind 13-10 and the roof fell in on them in the second stanza, as they went to the dressing room at half time with a 39-18 deficit.

Six File for Two Places on Council; Mayor Unopposed

A six man field will be seeking two places on the city council that will become vacant next month. A check with Mrs. H. M. Barrow, city secretary, revealed that by noon Saturday, filing deadline, the six men had filed for the two places as aldermen and that Hellis W. Madden is unopposed in his bid for re-election as mayor.

The six men who have filed for aldermen are: Floyd Clifton, re-election; George Poe, re-election; Edward Gardner; Glen Howard Williams; John Hix; and Bill D. Davis.

The election will be held Tuesday, April 7, in the City Hall.

Judge Owen Thomas will pass sentence March 20 on Ramon Cedillo, convicted March 3 on a charge of murder without malice. Cedillo was one of six youths charged in the murder of Antonio Meza in a barracks at Stamford Coop Gin.

No date has been announced for trials of the other boys.

Mrs. Bill Thompson, Bob and David visited Mrs. Herbert Lippe and family of Lubbock Friday and Saturday.

ANSON SCHOOL DISTRICT TO USE COUNTY PROPERTY VALUATIONS

An agreement was reached Monday between the Jones County Commissioners Court and the Anson Independent School District whereby the school district can use property valuations as determined by a county-financed survey.

The district has agreed to pay \$4,000 for valuations as determined in the district and will pay an additional \$250 for this information placed on survey cards.

Cagle Hunt, superintendent of Anson schools, and John Farnsworth tax assessor-collector, met with the commissioners court Monday. Mr. Hunt said he was authorized to offer \$4,000 for the survey inasmuch as his board did not know exactly how many pieces of property would be involved. The court had offered the survey on a so much for entry basis.

A representative of McMorries & Co., the Amarillo firm which is making the survey, estimated the cards on the Anson district would cost about \$500 and the county agreed to absorb one-half the cost.

Mr. Hunt explained that the Anson district likely would want to pay for the survey over a 4 year period, \$1,000 a year. This was acceptable to the county.

The tax survey is to be complete by Aug. 1. Field work has been completed in Anson and information is now being placed on file cards.

The county commissioners agreed to purchase water testing equipment to be kept in the office of County Agent Kirby Clayton, Judge Leon Thurman said he was approached by A. C. Humphrey in behalf of the Mid-Brazos Pollution Control district for the county to support the program.

"I told him," the judge said, "that we would be glad to cooperate with the district in every way possible but that the county was not in position to make financial contribution."

The boys stayed in the FFA barracks on the Dallas Farm Grounds. They toured General Motors, Southland Life Insurance Building went ice skating and went through Forest Park Zoo in Fort Worth.

They returned home about 7 p.m. Saturday. Only one mishap was reported, Garv Smith, son of Mrs. M. L. Smith had a tooth knocked out while skating.

Jones and Fisher Singing Sunday

The Jones-Fisher County singing will be held at 1:30 p.m. in the Foursquare Gospel Church.

O. L. Cohorn, president of the singing organization, said this week that many good singers are expected and everyone is invited.

THE MINISTER SPEAKS—

TRUE DISCIPLESHIP

By Rev. Lenard Hartley
Pastor, First Baptist Church

Discipleship is not self-seeking, but self-denial. When selfish thoughts molest and toolish ambition creates jealousy, sin spoils. True discipleship is crowned in self-devotion. Jesus Christ gave us a true example of grace and humility as He came from the eternal state to the lowly place of man's life. Jesus makes the greatness of God as He stooped to wash the feet of the disciples. A true disciple will seek to meet the demands expressed in Phil. 2:5-11. "Let this mind be in you, which was also in Christ Jesus. Who, being in the form of God thought it not robbery to be equal with God: But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men: and being found in fashion as a man, he humbled himself, and became obedient unto death even the death of the cross. Wherefore God also hath highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth: And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father."

Christ loves with a complete love. One that never lets one down or lets one go. In John 13:34 Jesus said, "A new commandment I give unto you, that ye love one another, as I have loved you, that ye also love one another." If one has this love

it will determine his path in life and lead him to demonstrate what it means for one to be a true disciple.

Should someone, who is not a Christian, choose you for instance and seek to follow you in all your ways would be led to Jesus Christ?

A Christian's dedication should result in Christlike living that would light a path which would lead to the foot of the cross in faith and surrender.

After a person has become a Christian, should he choose to follow you, would he be led to Christian maturity so that in all his ways he would grow up into Christ? True discipleship calls for separation. In order for this to be done one must deny himself. Jesus said, "If any man will come after me, let him deny himself and take up his cross, and follow me." Matt. 16:24. Disciples are challenged to suffer patiently as they follow in the steps of Jesus. I Peter 2:20-21 "For what glory is it, if when ye be buffeted for your faults, ye shall take it patiently? but if, when ye do well, and suffer for it, ye take it patiently, this is acceptable with God. For ever hereunto were ye called: because Christ also suffered for us, leaving us an example, that ye should follow in his steps."

A true disciple is to lose self in service. One is to give himself in service to others in the church and outside the church. The lowly way is the Lord's way. Humble and Christlike service is the rank of royalty before God's throne.

YEARS AGO—

FIVE YEARS AGO:

Track Coach Jimmy Vaughan will take about 25 Hamlin High School boys to Stephenville Saturday to take part in the annual Tarleton State College Relays. The group will go 9:00 o'clock.

D. C. Andrews of Hamlin High School was given a one-year contract with the school when the board of trustees met last week in special session. His contract now runs through the 1961-62 term.

Named as an Area IV candidate for state office in the Texas Future Homemakers of America at a recent meeting of hundreds of FHA girls of Central West Texas and North Texas Schools was Ann Richey, Hamlin High School junior, the daughter of Mrs. Jack Richey.

TEN YEARS AGO:

An \$80,000 project to construct a three story addition for Sunday School facilities, and expand the auditorium to seat 125 more people was approved by members of the First Baptist Church Sunday evening.

Names of O. D. Roland for mayor and J. C. Culbertson for Alderman were filed on the city election ballot just before closing time Saturday noon.

FIFTEEN YEARS AGO:

W. C. Russell, Dr. J. T. Hart and Stanley Carmichael left Sunday night for a fishing trip in Mexico.

Henry W. Stanley of San Antonio has been named as speaker for the annual membership banquet of the Chamber of Commerce set for next Thursday evening.

TWENTY-FIVE YEARS AGO:

Wednesday R. E. Johnson, T. E. Harden and W. Russell, of Hamlin and Mr. Stagg of Stanton left for Washington, D. C. on business concerning cotton. They are going by auto and will come two different routes of interest.

THIRTY-FIVE YEARS AGO:

Mr. and Mrs. S. C. Ferguson and sons, Thomas and S. C. Jr., and Burns Eakin left Sunday morning for Fort Worth to attend the Ft. Worth Stock Show. Gibson Chevrolet Company announces that a quarter of a million of the new six-cylinder Chevrolets are now on the road. prices begin at \$525 for the roadster.

Repairing The Eyeglasses

A good way to ruin a fishing or hunting trip is to lose the tiny screw that fastens the ear piece to your glasses. To fix it, temporarily, remove the staple from a match book cover. It will serve as a substitute until you return to civilization. A straight pin also works quite well.

The fulfillment of God's word. .

In the Old Testament Our Lord's

birth, death, and also

His resurrection were foretold.

These events were proclaimed

and written about long before

Jesus came to earth.

God saw that these prophecies

were fulfilled—that these things

were accomplished. Hosea 6:2

prophecies Christ rising

from the dead. The scriptures

say that Jesus is now alive,

that He sits on the right hand

of God and intercedes for us,

and that as He rose from the grave,

we, who are in Christ, will rise also.

On this commemorating Easter

let us all be in God's house to

rejoice in this promise.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

OLD GLORY ...

The Old Glory boys' basketball team made a trip to Austin last week end to see the State boys' basketball tournament. The trip was sponsored by the school and the men teachers accompanied the boys. Several other boys and men made the trip also. The group left Old Glory at 3:00 a.m. Friday morning and returned Sunday afternoon.

Those who went to Austin were Donald Boles, Larry Flow, Jerry Hahn, Marvin Vahlenkamp, Joe Mack Boles, Charles and Stanley Diers, Danny Letz, Danny Lanier, Gary Moore, Mike Baldree, Clifford Gholson, Kenneth Jones, Jimmy Leverett, Larry Quade, Mr. Leverett, Mr. Pritchard, Mr. Beason, Mr. Johnston, H. A. Boles, Jack Jones, Sprout Baldree, and C. T. Pierce.

Old Glory Teachers who attended the District 7 Teachers' Meeting in Sweetwater last Friday were Mrs. Very Bell, Mrs. Ruthy Flannagan, and Mrs. Maxine Klump.

The Old Glory annual school Fun Festival will be held on Friday, April 3. The classes have chosen their projects and will be working on them in the days to come.

Students are also beginning to work on spring interscholastic League events. Rehearsals have started for Old Glory's contest play, "When the Whirlwind Blows". Members of the cast are Donna Pierce, Marva Jean Dudensing, Linda Gholson, Judy White is alternate and assistant. The contest will be held on the night of April 10 at Hawley.

The members of the Home-making III class hosted an Italian dinner for the seniors and the high school teachers in the school study hall recently.

The menu featured Italian style spaghetti with meat sauce, tossed salad, garlic bread and ice cream. Red checked cloth on the tables combined with various graduation items and Italian phrases to make a gay setting for the affair.

The Old Glory 4-H Junior Leader Club met last Thursday, March 6, to elect officers. Marvin Vahlenkamp was elected president, Charles Diers, vice president, Stanley Diers, treasurer, Nancy Vahlenkamp, secretary; Carolyn Sander, historian, Stephanie Letz, reporter; Judy White and Mike Baldree, recreational leaders, and Clifford Gholson, parliamentarian.

The club will meet on Wednesday afternoon every other week.

The Grade School 4-H boys met in the Science room for their recent meeting. Russell Letz gave a good report on Water Safety. The boys played blackout bingo, and Herby Woodridge won 6 packages of gum. The other boys won candy bars.

VARIETY CLUB
The Old Glory Variety Club met Tuesday, Feb. 25, at the home of Mrs. Beno Hertenberger as hostess. A devotional period included a club poem, prayer led by Mrs. A. R. Sawyers, and group singing.

The hostess, who is a Gold Star Mother, showed a Service record which she and her husband received 21 years ago, after their son, Jean, did not return from service in World War II.

The record has 61 names inscribed on it of area men and boys who served in World War II. Jean Hertenberger's name appears on the top the first Old Glory soldier killed in action. The hostess asked each one present to write names of as many servicemen from the

ford visited Mrs. Katie Gerloff and Mr. and Mrs. Beno Hertenberger recently.

Kenneth Spitzer, student at West Texas State at Canyon visited his parents, Mr. and Mrs. Garrett Spitzer, last week end.

Mr. and Mrs. Charlie Letz visited their son, Mr. and Mrs.

Roger Letz and children, in Ft. Worth last week.

Mrs. Willie Tredemeyer Jr. observed her birthday on Sunday, March 1, at her home. A dinner was served to forty-three and games were played.

Mr. and Mrs. Ray Boles, Terry and Gary of Grand Prairie visited in the home of his par-

ents, Mr. and Mrs. L. B. Boles, this week.

An election will be held on April 4th to elect two trustees for the Old Glory School District. The terms of Willie Baitz and C. T. Pierce are expiring. Both were petitioned for re-election. No one else announced for the office.

This school district will also vote for County trustee-at-large. There are no candidates for this office. Mr. George Rhoads of Old Glory and J. T. (Hap) Hill of Aspermont.

Mr. Rhoads operates a grocery store here. He is a former teacher of the Old Glory School and holds a Masters Degree.

Mr. Hill farms near Aspermont. He was on the County Board once before for about two years, but resigned to become road supervisor under the County Unit System.

The Stonewall County Spelling Bee will be held in the County Court Room on Wednesday, March 18, at 4:00 p.m. Mrs. Thelma Smith is in charge. Those from Old Glory planning to enter are Vicki Curtis and Rebecca Letz.

By MRS. ELMER JOHNSON

Since dawn this Monday morning, we have had all kinds of weather. At first glance out, it was cloudy but nothing fell

fell in huge flakes, looking as if this was going to be that big snow we had been looking for, then suddenly it quit, leaving the thin mantle of white over everything. Less than two hours later the sun is shining and the snow is almost gone, the wind is blowing from the north, reminding us that it is still March in West Texas.

Woodrow Goodwin has been sick with a case of flu, for the last week. Mrs. Joe Ford was able to be in church Sunday morning, for the first time in five weeks. We hope she continues to improve.

We are sorry to report that George Wainwright has not been feeling very well, since coming from Dallas, and has decided to have surgery as soon as it can be arranged. He will be in the Hendrick Hospital, with Dr. Meadows, specialist in chest surgery, operating. We are hoping that the surgery is a success and he will be well once again.

E. A. Henry. Bobby Henry also came to visit with Mr. and Mrs. Henry again last week end. Mrs. Henry says she isn't fooled, he isn't coming to see grandma, from

observation it seems to be a rather cute little "grandma" that is attractive out Hamlin way. Boyd was to go in service soon, but since he is teaching school at present, he has been deferred for a while.

Larry Tanner spent the week end again with his sister, Rev. and Mrs. Kenneth Levent, Kimmy and Kristy, still helping them with their house remodeling. Their mother, Mrs. Tanner, went to Lubbock to attend a teachers meeting. Mr. and Mrs. Fred Rosenbaum and Mr. and Mrs. Winslow Gray, were Sunday afternoon visitors of the R. M. Jones. Mr. and Mrs. Flax Holmes visited with the George Wainwrights, Saturday night. Mr. and Mrs. Bill Johnson, now living in Dallas spent Saturday night with Mr. and Mrs. Jack Wright and children.

County Invests Money Until Needed

Jones County has put its surplus money to work and at the end of February had \$127,000 invested in government securities. Of this amount, only \$13,000 is general fund money—money that is used to carry on the day to day business of the county. As explained by County Auditor Carl Savage, this money represents tax collections and will gradually be spent as the year goes on. Largest single item is \$49,500 in the permanent improvement fund. Funds of Road District No. 1, which includes roughly the northern half of the county, total \$32,500. Road District 10, the southern portion of the county, has \$32,000 invested. Interest rates run from 2 1/2% to more than 4 per cent.

April Draft Call Down from March

AUSTIN.—The state draft quota for April calls for 449 men compared to 610 for March. Colonel Morris S. Schwartz, state Selective Service director, said Wednesday. The state quota of 449 for April is the Texas share of a national call for 12,000 men, all for the Army.

The state Selective Service director also announced pre-induction physical and mental examinations for 6,000 men in April.

Local board quotas for the April call are scheduled to be mailed to the state's 137 local boards on March 11.

The April quota will be filled mostly with men who are volunteers under 26 years old and nonvolunteers ages 19 through 25. Most of them will be 22 years old.

No man whose draft board file reflects that he is maintaining a bona fide family relationship with a wife or a child or children will be selected in response to this call.

Fruit of the Rio Grande palmetto is edible and can be bought in the Matamoros market.

Area City Officials To Meet Friday In Abilene

City officials from the big "Hub of Texas" Region of the Texas Municipal League will take a new look at their modern roles and responsibilities at a meeting March 13 in Abilene. It was announced today by Mayor Ed Matthews of Sweetwater, president of the region.

"We expect as many as 100 mayors, councilmen, city managers, and other municipal officials," Matthews said. "The meeting offers an unusual opportunity to get the statewide perspective, from authoritative sources, on the problems facing Texas city governments and the expanding obligations of leadership imposed by urban growth on the local official."

Highlighting the meeting this week in Abilene will be addresses by TML President W. B. Strange, mayor pro tem of Richardson, and Steve Matthews, League executive director from Austin.

Strange will discuss "The Emergent Role of Municipal Elected Officials in the 1960's."

TML Region 6 (Hub of Texas) comprises 53 cities in 19 counties. Regional officers, in addition to President Bill Matthews, include Vice President, Harry Stenson, City Manager, Stamford; Secretary, Miss Lila Foy Martin, City Secretary, Abilene; and TML Director, W. Lee Byrd, Mayor, Abilene.

CARON KNABEL AND CHARLES SIMPSON EXCHANGE VOWS

Mr. and Mrs. Gene Knabel are announcing the marriage of their daughter, Caron, to Charles Simpson, son of Mr. and Mrs. D. C. Simpson.

The couple was married Friday evening at 8 p.m. in the chapel of the First Baptist Church. The double ring ceremony was read by Rev. Royce Womack, pastor of the First Methodist Church.

Given in marriage by her father, the bride wore a street-length of white satin designed with fitted bodice scalloped V neckline and long tapered sleeves. The elbow length veil of white net was attached to a headband of white organza accented with seed pearls and iridescent. She carried a cascade arrangement of blue poms and white roses.

Mrs. Gen Earker of Wichita Falls was matron of honor for her niece. Junior bridesmaids were Brenda and Alice Simpson, sisters of the bridegroom.

Best man was Curtis Payne. Phillip Simpson, brother of the bridegroom, and James Knabel brother of the bride, were junior groomsmen and candlelighters.

Members of the immediate families were guests for the wedding and the reception which followed in the Fellowship Hall of the church hosted by the bride's parents.

The bride is attending Hamlin High School and will graduate this spring. She was formerly a member of the Library Club, Spanish Club the Band and the Future Homemakers of America.

Simpson attended Abilene

Dr. Clarence Sawhill, Joe Frank, and R. C. Davidson were judges for the Festival. Guest bands for the event were the Texas Tech College Band and Stage Band, "The Slum Town Symphony", the Lamesa High School Stage Band, the Hamlin High School Stage Band, a group of folk singers, the "Roadrunners", and the Texas Tech Stage Band providing entertainment for the students.

hhs
Tickets for the senior play, "The Worm Small Squirm", are on sale and may be purchased from any senior. The play will be presented at 8:00 p.m. Mar. 20, 1964, in the Hamlin High School Auditorium.

hhs
Twenty-three juniors took the 1964 National Merit Scholarship Qualifying Test, Tuesday, Mar. 10. The test is a three-hour examination of educational development, and it is the first step in the competition for four-year Merit Scholarships provided by the National Merit Scholarship Corporation and by sponsoring corporations, foundations, colleges, associations, unions, trusts, and individuals.

hhs
National Educational Development Tests were given to twenty-three sophomores Tuesday, March 10. These tests emphasize broad intellectual skills—what students can do with what they have learned—rather than mere knowledge of facts. There are five different parts of the test, and each student receives five standard scores as well as a composite score that can be used as an index of overall educational development.

hhs
Seniors took an Air Force Aptitude Test last Wednesday to help determine which field to choose as a career.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — U. S. Supreme Court says the present line-up of congressional districts is unconstitutional. Still is far away, according to Gov. John Connally and Atty. Gen. Waggoner Carr.

Texas' 22 Congressional Districts have the greatest vari-

ance in size of any state, ranging from 214,000 to 980,000 population. This, the high court said, is not fair and it must be corrected.

Because the 1964 elections already are under way the Supreme Court allowed Texas 30 days in which to ask a three-judge Federal court in Houston to determine the effectiveness of the order.

Governor Connally is sure the court will recognize the fact that absentee voting will begin on April 12 and that filing deadlines already have passed. He insisted that the major

legislative surgery required cannot be done in a 30-day special session which starts Jan. 12. He felt the Court would agree that it now is too late to re-district for 1964 elections.

TRAINS GOING — Passenger trains continue to disappear from the Texas scene. Latest moves are by the Chicago, Rock Island & Pacific Railway Co. and the Fort Worth & Denver Railway.

They want to do away with the Fort Worth to Houston run of the Twin Star Rocket.

Texas Railroad Commission will hear this proposal on May 12 in the Dallas City Hall.

SALT WATER — Texas Water Pollution Control Board agreed, after three public hearings, to outlaw the use of unlined surface pits for disposal of oilfield salt water in eight South Plains Counties.

Oil and gas operators were given until September 1, to make other arrangements for disposal of their brine. Water-users in the area, which con-

tains the greatest irrigation section in Texas, had complained that the oilfield salt water was seeping into fresh water strata known as the Ogallala formation.

Covered by the no-pit order are Bailey, Cochran, Dawson, Hale, Hockley, Lynn, Swisher and Terry Counties.

COURT SPEAKS — Texas Supreme Court, in a decision with far-reaching consequences, has ruled that holders of paid political office are ineligible to run for the Legislature during their present terms.

Specifically, the Court ordered the Taylor County Democratic Committee to remove the name of Dist. Atty. Tom Todd from the ballot as a legislative candidate.

Supreme Court also ordered a new trial in a case hinging on the question of whether newspaper carriers are independent merchants or employees of the publishing company.

Suit was brought by Gerald Witt Love against Newspapers, Inc., and C. E. Cagle, contract carrier for the newspapers, following an auto collision. Lower courts found for Love. However, the new decision held the independent contractor issue had been improperly submitted to the jury. Earlier decisions have supported the position that a newspaperboy or carrier is an independent agent and not an employee of the publication.

In other action the Supreme Court: ... Held a legislative act cannot be nullified by a state agency's regulations. Case involved coastal fishermen absolved of violating an agency order outlawing net fishing in the Chambers County part of Galveston Bay.

... For the second time refusal to accept a mandamus petition aimed at keeping all who saw telecasts of the slaying of Lee Harvey Oswald off the Jack Ruby murder trial jury.

... Reversed lower courts and ruled that a physician hired part-time as a company doctor is not an employee of the company.

SUPER-AGENCY BACKED — Governor Connally's Committee on Education Beyond the High School will recommend that the Legislature set up an 18-member state coordinating agency with jurisdiction

over both junior and senior colleges and universities, says Chairman H. B. Zachrey.

Committee has been under fire from state capitol newsmen for holding closed-door sessions. Zachrey defended the policy but hinted that reporters will be allowed in on at least part of future meetings.

TEACHING STANDARDS APPROVED — Texas Board of Education approved new standards for training of school teachers and administrators and a special in-service training linguistics course to help teachers teach students to express themselves better.

Minimum foundation school program costs were pegged at \$555,000,000; the 1964-65 local fund assignment (local school district share) at \$111,000,000.

A pilot program concentrated study for migrant students now operating in Edinburg, McAllen and Pecos-San Juan-Alamo, Weslaco and San Benito will be expanded to 10 districts next fall.

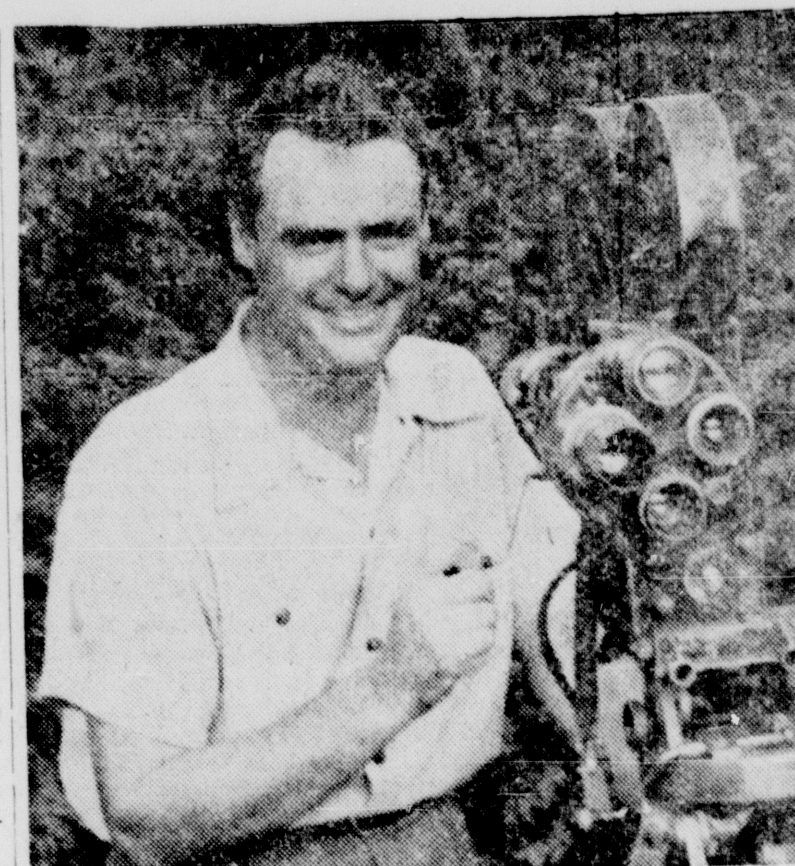

Board members approved a request to dissolve the Liberty County Junior College District, dormant since its creation in 1958.

SHORT SNORTS — Governor Connally used some of his authority to allocate \$2,350 to pay National Guard troops called to active duty on Feb. 4 during Panhandle blizzard. ... Dr. Dorman H. Winfrey of the Texas State Library reports that 42 Texas cities spent \$13,100,000 on library construction during 1963. ... State Selective Service Director Morris Schwartz said Texas' draft call in April will be 439, against March's 510. ... Texas Industrial Commission's short courses on local industrial attraction, called Texas Industrial Planning Seminars or TIPS, are becoming so popular that the commission's director, Harry W. Clark has scheduled three a week throughout the month of April and May. ... Air Pollution Control Association gave the state Department of Health a certificate of award for its work in educating Texans as to the need for prevention of air pollution. ... Governor Connally named Thomas F. Anderson, operations manager of the Alcoa plant at Point Comfort, as manufacturers' representative on the Texas Water Pollution Control Board to replace C. M. Shigley of Dow Chemical Company, Freeport, who resigned. ... San Antonio will be the site of the Southern Governors Conference from October 10 to 14. ... Kuyk Logan, city editor of the Oklahoma City Oklahoman, has resigned that position to become publicity director for Don Yarborough's campaign for governor. ... State Banking Board approved a charter for Quinlan State Bank in Hunt County, accepted applications for Yorktown Community Bank and Expressway Bank and Trust of Dallas. Guaranty Bank of Lubbock application was withdrawn. ... Texas farmers and ranchers received less for their products in mid-February than in January, United States Department of Agriculture reported. ... Texas business activity index rose to a new all-time high during the first month of 1964. University of Texas Bureau of Business Research statisticians reported. ... W. G. Wally Jr. of Beaumont and James F. Parker of Kountze were the only two candidates filed as Democratic candidates for judge of the Beaumont Court of Civil Appeals at the end of the extended filing deadline.

For Livelier Worms — To keep an earthworm alive longer, while on the hook, try hooking it under the breeding band and out through its head, rather than through the body. So hooked it also will attract more fish.

For Smoother Knots — When you tie a monofilament leader to your nylon line put a drop of clear fingernail polish on the knot. When it dries, put on another drop. You'll discover that this will cause the line to slip easily through the rod guides, just as if there was no knot at all.

Don't Discard Ice Chest — Mr. Camper: When that old ice chest develops a leak, get a new one. But don't throw the old one away. It's fine for miscellaneous storage. Keeps dry foods dry and moist foods moist, too!

FILMING OF TWO-REEL COMEDY PLANNED HERE; USING LOCALS

A movie patterned after the "Our Gang" Comedy series that once flashed on movie screens throughout the nation to delight adults and children alike will be filmed in Hamlin — with Hamlin children.

Melton Barker will arrive in Hamlin soon to produce the two-reel comedy, according to Darwin Barnes, manager of the Rogue Theatre here. Around 100 children will be used in the cast.

Mr. Barker said it would take about two weeks to assemble the cast and rehearse so that the actual filming can be

done. Another week will be required for the shooting.

Children between the ages of three and fourteen who wish to try for parts were told to register at the Rogue Theatre. When the casting director arrives, he will get in touch with those who have registered and arrange for tryouts.

The finished picture will be shown at the Rogue on a date to be announced.

There will be scenes from various points in the county, including shots of school bands and other groups.

Protecting the wallet — Before going fishing, place your wallet in a plastic bag and seal it tight before putting it back into your hip pocket. Then, if you get wet, contents of the wallet will remain dry.

Hardy Hacksaw Blade — If you are a deer hunter, try slipping a hacksaw blade into your knife sheath prior to going afield. It will come in handy for cutting the pelvic bone of your deer.

For a child or an adult to achieve properly and efficiently they must have good vision. Only a vision specialist giving a thorough examination can determine your visual needs. A thorough examination takes time.

HIGH SPEED

Plymouth rocks racing world with sweep in Daytona "500"

According to the record book for stock cars in competition, there is no higher average speed for 500 miles than the 154.334 m.p.h. set by a competition-equipped 1964 Plymouth in winning last month's Daytona "500."

Adding to that glory is the fact that two more 1964 Plymouths finished 2nd and 3rd for a decisive Plymouth sweep. That suggests that Plymouths were not only the swiftest cars in the competition, but that they're built to stay in there all the way.

For the millions of racing fans and high-performance enthusiasts across the country, Plymouth is proud of its "high speed" victory at Daytona.

YOUR SPEED

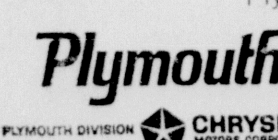

Plymouth beats Ford & Chevrolet in tests of showroom V-8s

This competition was more "your speed." At Plymouth's request, an independent testing company bought and compared showroom models of Plymouth, Ford and Chevrolet.

The cars were comparably equipped standard V-8s — cars people buy. And the tests were of "things people buy a car for" — acceleration, handling, braking, and gas economy.

In test after test, Plymouth accelerated best, handled best, braked best, and got the best gas mileage. This is the kind of competition Plymouth most likes to win. "High speed" or "your speed," these 1964 Plymouths are tough to beat!
